From the Desk of Mrs. Young:

Dear Parents,

Well, I think we have some future salespeople in our midst! The kids did a wonderful job with the fundraiser. Some of the students really stepped out of their comfort zones and sold above and beyond. We will be announcing the top sellers at Chapel on Thursday. If you still have your envelope or are finishing some sales, please turn it in by the end of today. We appreciate the extra donations as well. THANK YOU!

Here are some reminders for next week:

Oct. 19, 20, 21...School Pictures. Pictures are required for ALL students (we would like to put together a yearbook this year, so we don't want to leave anyone out) Oct. 22...This Friday is our Fall School Activity-Paintball and Bonfire. This begins at 4:00 and will be a great time of fun for the students. The address is: 1644 County Road 995, Ashland, Ohio.

Additional Notes: We hope you're receiving and enjoying this newsletter each week, allowing you to stay up to date on what's happening at GCA. One mom shared she prints it off each week and hangs it on the refrigerator as a reminder of what's going on, the weekly lunch, chapel review and what to be discussing with her kids. What a neat idea! I encourage you to do the same and make this part of your weekly discussion with your kids.

Any moms wanting to help with lunches, we'd love the help. You can contact Patti Harris at 419-799-9678.

If you'd like to help purchase snacks for the snack cart, we could use any snack size chips, full-size candy bars, nuts, granola bars, etc. These items can be given to Mrs. Young.

Only In Him, Mrs. Hillary Young

CHAPEL REVIEW: WHAT ARE ATTRIBUTES?

*Features and characteristics that describe something or someone.

-While attributes are primarily subjective, this is far from the case when we look at the attributes of God. God's Word REVEALS who He is & is absolutely vital to proper theology.

We have a responsibility to continually grow in our knowledge and understanding of WHO God is (2 Peter 3:18, John 17:3, Jeremiah 9:23-24). We discussed the relational aspects of God's attributes to the 3 persons in the Godhead:

*All are equally present in the Father, Son & Holy Spirit. -Though roles may be distinct, attributes are seen cohesively in the Trinity

*All attributes of God are eternal. -From eternity past to eternity future, God possesses all His attributes in the purest and perfect form.

*All attributes of God are interconnected, not independent. -God is perfectly loving while at the same time, perfectly just. -He doesn't put on or take off certain attributes at certain times.

**Students came up with a large list of attributes. Ask them and discuss how they glorify God!

What's for Lunch?

Creamy Tomato Soup & Grilled Cheese Sandwich Grapes & Choc Chip Cookie Water

*3.50 each lunch

*Don't forget to purchase your student's lunch ticket for \$17.50.

*This will be good for five (5) lunches. Make sure to remind your student to sign up on Tuesday for lunch on Thursday.

Parent/Teacher Organization:

Lynn Baker has felt led to start up a Parent/Teacher Organization for GCA. She is hoping to get more parents involved. She's like to meet periodically to share ideas, help one another and collaborate on how we can best serve our school from a fun and supportive position.

She is having an Introductory Meeting this Monday, October 18 at GCA beginning at 5:30. We hope you can come and hear her vision, share any ideas you may have and be prepared to step into some fun positions, as we work together. She already has several ideas we'll need help with. We hope you can make an effort to be there. If not, please still reach out to Lynn and let her know of your interest. 419-951-3916
